**JOIN US FOR AN INTERACTIVE ETHICS WORKSHOP THAT WILL HELP  
PROTECT YOU AND YOUR CLIENTS.**

Lead by Dr. William Doverspike, licensed psychologist and author of [Risk Management: Clinical, Ethical and Legal Guidelines for Successful Practice, 2nd Edition](#), this highly practical workshop will focus on a discussion of 25 real life case examples of ethical dilemmas. These cases are taken from Dr. Doverspike's extensive experience in clinical practice and in work in the field of ethics and risk management. He will also outline how a multiple-stage decision-making model can be applied to ethical dilemmas.

A nationally recognized subject matter expert and entertaining speaker, Dr. Doverspike is affectionately called "the ethics professor" by his former students from four universities.

For more information, please call 800-522-1073, option 1 then option 2

**PARTICIPANTS  
WILL:**

- Benefit from learning about 25 real life practice scenarios that created ethical dilemmas
- Learn a Multi-Stage decision-making process applicable to real-life practice situations
- Learn how to prevent and avoid ethical pitfalls in your practice
- Learn how to navigate pitfalls when they are unavoidable
- Receive 5 continuing education hours toward license renewal (5 CEs approved by LPCA-GA)

About Dr. Doverspike

**William F. Doverspike, Ph.D.**

Dr. Doverspike is an Adjunct Professor at Emory University, where he teaches ethics in the clinical psychology doctoral training program. He is an Adjunct Clinical Associate Professor in the Mercer University College of Health Professions. He also teaches ethical, legal, and professional standards at Richmond Graduate University in Atlanta. Dr. Doverspike has 12 years of experience as a member of the Ethics Committee of the Georgia Psychological Association (GPA). He is a former President of GPA. He holds board certification Diplomates in Clinical Psychology (ABPP) and Neuropsychology (ABPN). He has a practice at the Atlanta Counseling Center.
